

"Road map" of working with materials of educational disciplines of the Drug Technology Department hosted on the Moodle platform

Dear applicants for higher education!

Educational and methodical materials for distance learning in the disciplines of the Drug Technology Department are located in the section of the department on the website of the Center for Distance Learning Technology NUPh at the link:

<https://pharmel.kharkiv.edu/moodle/course/index.php?categoryid=148>

1. Find your course in the list of distance learning courses:

2. Open course.
3. Find the topic that corresponds to the date classes.
4. You study the **Information material** independently.
5. At the date and time of the lab, you attend the ZOOM conference with the ID and password of your group's teacher. Information on IDs and passwords is updated weekly at the link:

<https://tl.nuph.edu.ua/osvitnij-proces-v-umovax-karantinu/>

6. During the practical (seminar) lesson online, under the guidance of the teacher answer questions, solve situational problems, etc., located in the section of the relevant distance course

.

7. Take the **Test** on your own or under the supervision of a teacher.

Good luck!
